UTTAM SATISH SINGH

Aspiring Full Stack Developer

Surat, Gujarat | +91 8577977561 | rayuttam2005@gmail.com | LinkedIn | GitHub | Portfolio

PROFILE SUMMARY

Motivated Full Stack Developer in progress, currently pursuing BCA (5th Semester) with hands-on experience in building web applications using React, Node.js, and MongoDB. Skilled in front-end and back-end development, version control, and containerization tools such as Docker and Kubernetes. Quick learner with a strong foundation in DSA and programming, eager to contribute to real-world projects and grow as a professional developer.

TECHNICAL SKILLS

Languages: JavaScript, Python, Java (Basics), SQL

Front-End: HTML, CSS, JavaScript, React.js

Back-End & Database: Node.js, MongoDB, SQL

Tools & DevOps: Git, GitHub, Linux, Docker, Kubernetes, Jenkins

PROJECTS

NFT Bazar — *HTML, CSS, JavaScript, React*

- Built a responsive NFT marketplace concept web app enabling users to browse, view, and explore digital NFT listings.
- Implemented dynamic UI components with React for a smooth and interactive browsing experience.

Personal Portfolio Website — *HTML, CSS, JavaScript, React*

- Designed and developed a personal portfolio showcasing skills, projects, and resume for professional visibility.
- Deployed a fully responsive, modern layout to present work to recruiters and collaborators.

EXPERIENCE

Web Developer Intern (Remote) — InAmigos Foundation

1 Month

- Worked remotely on web development tasks, gaining hands-on exposure to real-world project workflows and team collaboration.
- Applied front-end development skills to build and improve web components as part of the organization's initiatives.
